Theory

What is the meaning of Do San?

24 movement pattern - Is the pseudonym of the patriot Ahn Ch'ang Ho (1876-1938) who devoted his entire life to furthering the education of Korea and its independence movement.

What is the meaning of Green Belt?

Green belt signifies the plants growth as Taekwon-Do skill begins to develop.

What is Semi Free Sparring?

This form of sparring is designed as a step forward from basic three step sparring. It involves an optional number of consecutive attacks (hand or feet) and blocks or evasions, plus a counter attack. Semi-free sparring should not be hurried, the secret is reaction force and quick, intelligent movements. This is where the true art of sparring is learnt. Attacking students start in L stance guarding block. Defending students start in parallel stance.

What is the main target area for a straight finger tip trust?

Solar plexus of the attacker.

Describe a Turning kick

The correct tool for traditional turning kick is the ball of the foot. This is achieved by locking the ankle joint and toes back. Traditional turning kick is used in line work, destruction and street situations.

The correct tool for non-traditional turning kick is the top of the foot (instep). This is achieved by locking the ankle joint and toes forward. Non-traditional turning kick is used for sparring related activities and bag work.
